As a junior frontend developer specializing in the MERN stack, I have honed my skills in developing robust and responsive web applications. My expertise lies in creating intuitive and visually appealing interfaces using cutting-edge technologies. I am always eager to expand my knowledge by learning new things and staying updated with the latest industry trends.

Skills:

Frontend: HTML, CSS, Bootstrap, Tailwind CSS, Daisy UI, JavaScript, React
Backend: Express Js, Node Js, MongoDB, JWT, Firebase
CMS: WordPress, WooCommerce
Development Tools: Git, Github, Netlify, Vercel
Design Tools: Photoshop, Figma

Projects:

1. Talk Threads (Forum web application) - Live Site | Client Side Code | Server Side Code
- Powerful search, dynamic pagination, voting, commenting, and social media sharing.
- Admin dashboard with statistics, user management, announcements, tags and comment moderation.
- JWT token security and a premium membership system for enhanced posting capabilities.

Technologies Used: React, Tailwind, Firebase, JWT, Node JS, Express JS, MongoDB

2. Share Plate (Food sharing website) - Live Site | Client Side Code | Server Side Code
- Add, update, delete, and manage food items, with a dedicated page to showcase added items
- All available foods can be sorted, searched, and customized in layout.
- Users can request food and browse featured foods sorted by quantity.

Technologies Used: React, Tailwind, Framer Motion, Firebase, Node JS, Express JS, MongoDB

3. Share Plate (Food sharing website) - Live Site | Client Side Code | Server Side Code
- Implemented cost-control measures resulting in a 15% reduction in operational expenses.
- Streamlined financial reporting processes, enhancing overall efficiency by 20%.
- Led a team in successfully navigating a complex audit, ensuring compliance with industry regulations.

Technologies Used: React, Tailwind, Daisy UI, Firebase Authentication, Node Js, Express Js, MongoDB

Educational Background:

B.Sc. in Statistics (2019-2023)
University of Rajshahi

Professional Trainning:

Complete Web Development Course - Programming Hero, 2024

Language:

Bangla - Native, English - Fluent
